

BESGB School Club activities 2018-2019

Description

Dear Parents, Guardian and BESGB Students,

Extracurricular activities provide educational experiences, not otherwise provided to our students in academic courses. **BESGB** is dedicated to offering our students a variety of extracurricular activities that appeal to their varying needs and wants. While **BESGB** believes that extracurricular activities are an essential part of education, academics take precedence. Students are expected to maintain good academic standing, including attendance and discipline, in order to be eligible to participate in extracurricular programs. **PS: The fee for each club mentioned below is yearly and can be paid in two installments.**

1-Guitar Club: Mr.Jamil Mdawar/225\$ (7 Years and up)

****Fridays from 3 pm till 4:15 pm**

This club is mainly for beginners. Students start by learning the basics, how to hold a guitar, how to place the fingers, how to generate sound, and the names of different parts of the guitar. After a few weeks, students will be guided to learn to play one of their favorite songs.

2- Piano Club: Mrs Pia- Maria Keserwani/225\$ (7 Years and up)

****Fridays from 3:00 pm till 4:30 pm**

Students will learn to read and play notes in different levels according to their own musical background.

3 Drums Club:Mr. Jamil Mdawar/225\$ (7 Years and up)

****Saturdays from 10:30 am till 11:45 am**

In the drums club, students will be given instructions on the correct techniques for playing African drum ensembles. Students will perform for the school and for the public.

4-Craft Club: Mrs Jean Claude Otayek/225\$ (7 Years and up)

**** Wednesdays from 1:00 pm till 2:30 pm**

This club stimulates creativity and imagination. It provides visual, tactile, and sensory experiences, along with special way of understanding and responding to the world. It enables children to communicate what they see, feel, and think through the use of color, texture, form, pattern, and different materials and processes. Children become involved in shaping their environment through art, craft, and design activities.

5-Performing Arts: Acting/Film making. Mrs Katia Chweiry/225\$ (7 Years and up)

****Fridays from 3 pm till 4:15 pm**

The purpose of the Club is to learn acting, play production, and stage work, culminating with a production near the end of the academic year. Students will also know the techniques of the film making procedures.

6-Gardenning Club:Mrs. Amjad Aoun /225\$ (7 Years and up)

****Fridays from 3 pm till 4:15 pm**

The objectives of this club are to stimulate the **knowledge** and love of horticulture and gardening among amateurs, to aid in the protection of native plants and birds, to encourage civic planting, and to **educate** members on the basics of floral design.

7-Archery Club:Mr. Ayman All Sayed, Lebanese Archery champion 2017-2018/225\$ (7Years and up)

****Fridays from 3 pm till 4:30 pm**

The purpose of this club is to provide a relaxed and social atmosphere where Archers of all standards can practice and enjoy the art, science, and sport of Archery.

8-Cooking Club: Mr.Fabio Simone/225\$ (9 Years and up)

****Wednesday from 1:00 pm till 2:30pm**

In this club, we will come together to share our love of **Italian** cooking and to promote healthy food. The products of the cooking club will be sold in benevolent bake sales.

9-Photography Club: Mr. Hosep Kanledjian/225\$ (8 Years and up)

****Fridays from 3:00 pm till 4:15 pm**

The objectives of the photography club are to learn and enhance the photography techniques, to learn and enhance the techniques of Photoshop, and to promote the art and craft of photography through exhibiting the work of the club members.

10- Robotics Club: Time, date, and fees to be announced later

11- Bas Relief Sculpture: Mrs Juliette Abou Jawdeh.225\$ (9 years and up)

****Fridays from 3 pm till 4:15 pm**

Bas relief is a sculpture carved and is attached to a surface. This type of work is sculpted on wood. The needed items are polymer clay, a piece of wood, and a few simple tools for carving. After drawing the picture on a piece of wood, polymer clay is added or removed according to the dimension of real virtual objects to give it the 3D scenery.

12-Armenian Language: Mrs Hazmig Avadesian/225\$

****Fridays from 3:00 pm till 4:00 pm**

Students will learn how to read and write guided by a professional teacher. Students will be divided into levels according to their knowledge and background
